

## LPC Announces New Partnership with Radial Equity Partners

Lewisburg, Tennessee, April 13, 2021 -

Lewisburg Printing Company (LPC) and its affiliate companies (Hawk Converting, LLC and LPC TX Visual), leading suppliers of high graphic printed materials and packaging announced today its new partnership with Radial Equity Partners ("Radial"). Terms of the agreement were not disclosed.

Founded in 1898, LPC manufactures specialty printed materials and packaging for a broad range of markets, including personal care, food & beverage, healthcare, pet, and household products. The company utilizes its comprehensive production capabilities, including large and small format lithographic, flexographic and digital printing as well as value-added prepress and finishing services to provide its customers with high graphic printed solutions.

"Our goal is to be the best supplier to our customers, the best employer for our employees, and a responsible member of our community. We identified Radial based on their experience in printing and packaging and found they shared our goals and values. Our partnership will provide LPC with greater resources to continue our growth both organically and through acquisitions. Radial is the perfect partner for LPC," said Hale Hawkins, IV, CEO of LPC.

"LPC's dedication to customer service is evidenced by nearly 125 years of business history" said Phil Carpenter, Managing Partner of Radial. "We are thrilled to partner with the LPC team and look forward to building upon the company's strong foundation to support its next phase of growth."

This partnership represents a continuation of the Radial team's focus on investing in packaging, a key area of strength for both the firm and LPC. The Radial team has previously led successful packaging investments in Alpha Packaging, Chesapeake Corporation, Mold-Rite Plastics and Multi Packaging Solutions.

### About LPC:
