# Do

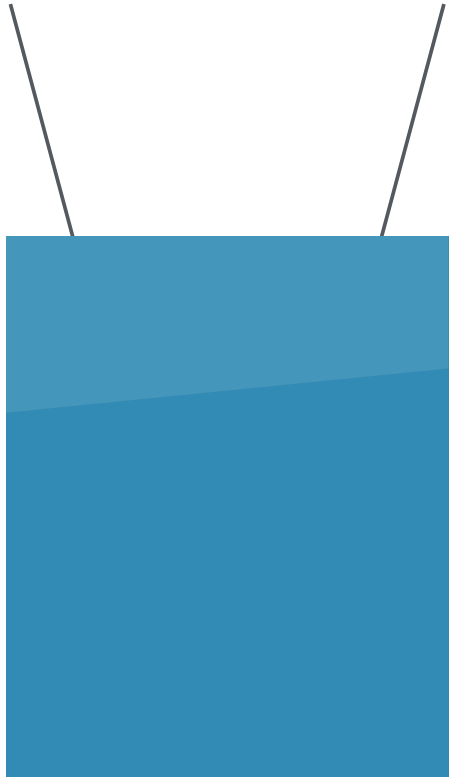

# Don't

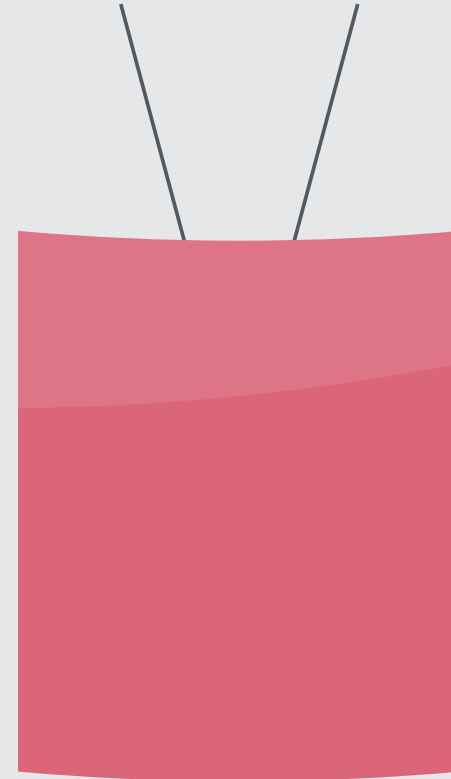

## **Hanging signage**

Ensure cables are slanted/directed outwards, not inwards

# Do

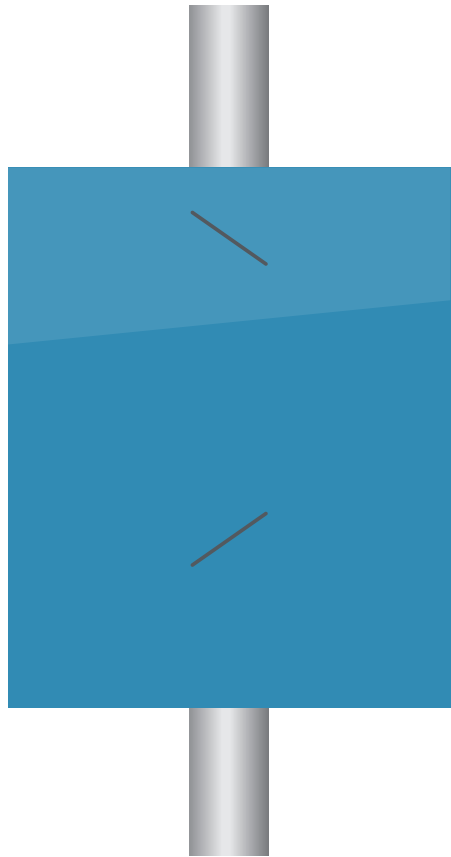

# Don't

## **Hanging signage**

Ensure cables are placed towards edge of the sign

# Do

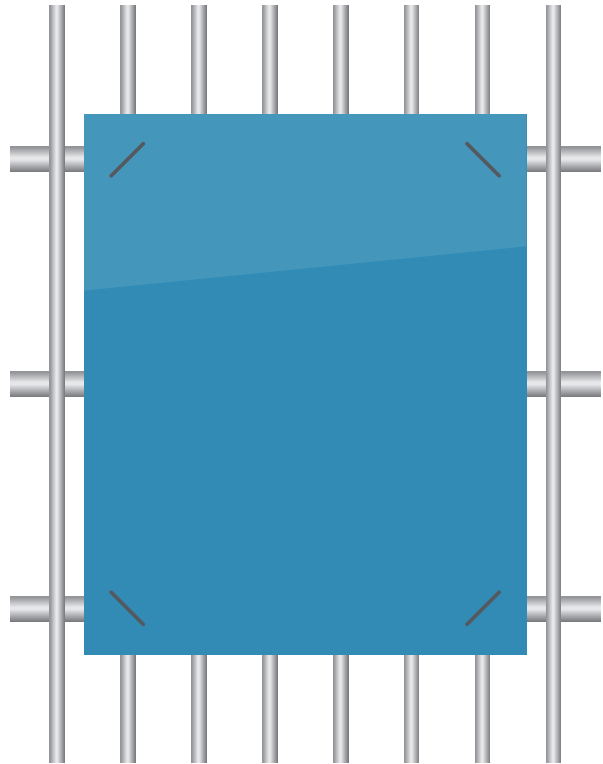

↔ Fibre direction

# Don't

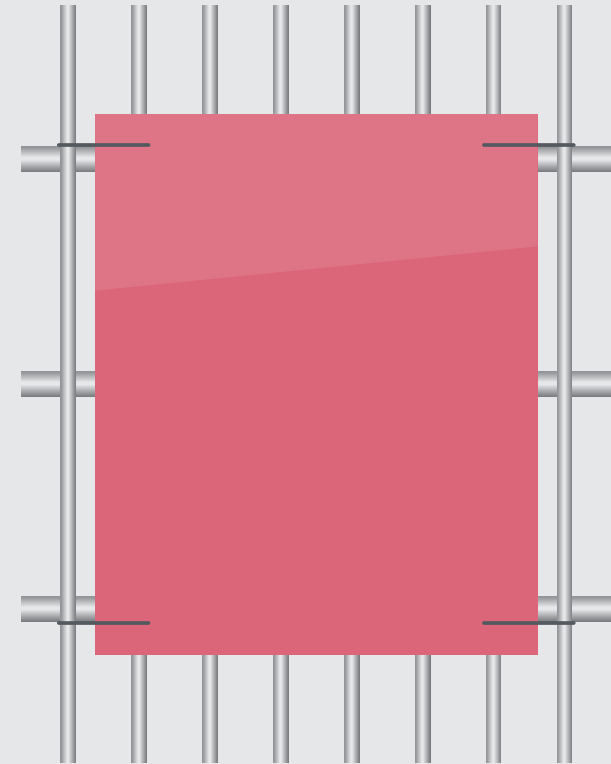

**Sign on a pole**  
Further to the middle with an angle

# Do

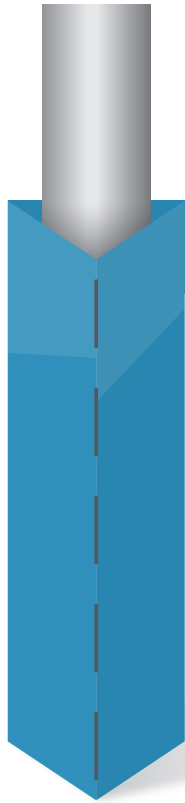

Diagonal cable ties

# Don't

**Sign on a fence**  
Make 8 holes instead of 4

# Do

Fibre direction

# Don't

**Bollard cover**

Use recommended "double lock" when converting
